

# Dragon 24 - The Return

28/29 April 2012

## **Help Needed**

The event will run from 10:00 on the 28<sup>th</sup> April through to 12:00 on the 29<sup>th</sup> April.

### How can you help?

We need people to come forward and help run activity bases on a rota basis and also in support roles, for the full duration of the event.

### What if you don't have any activity permits?

That doesn't matter. Not all activities require permits and your help on one of these bases would be gratefully received, also the support roles generally don't require any permits or previous experience.

### Is there a minimum time commitment?

We would prefer it if you can commit to help in multiples of 2 hour slots. There is no limit on the number of slots you can volunteer for. If you are unable to help for a 2 hour time slot there may be very limited one hour slots in support roles available.

### But I'd like to spend time with my group.

We appreciate you would like to spend time with your group during the course of the event, but would be grateful if you could spare at least two hours to help out by running a base or in a support role.

### What if you don't get enough help?

If we don't get sufficient levels of help, it will have a knock-on effect in terms of the number and duration of the activities that were able to provide.

### I have a preference for an activity I would like to help run.

Excellent, let us know and we will do our best to accommodate you. Please be aware that although we will do our best it is not always possible to accommodate all requests due to the range of activities and support roles available.

### Will I also need to complete an adult registration form?

Yes you will still need to return a completed adult registration form and return that with the relevant payment, in addition to this form.
